Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the 606 Extension -- Ashland Ave to Elston Ave in the fiscal year 2023 Transportation, Housing, and Urban Development and Related Agencies bill.

The entity to receive funding for this project is Cook County Department of Transportation and Highways (DOT), located at 69 W. Washington St, Suite 2400, Chicago, IL 60602.

The funding for this project will allow Cook Country DOT to extend the multiuse trail known as The 606 from Ashland Avenue to Elston Avenue, a distance of approximately 1050 feet, in order to provide a safe connection between the east and west sides of the Kennedy Expressway and UP Railroad tracks. This project also implements the next phase of The 606 reflected in the North Branch Framework Plan and the Bloomingdale Trail and Park Framework Plan.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Quigley
